**PETITION TO ACCORD FILING DATE UNDER 37 CFR § 1.10(c)**

Sir:

Applicants respectfully petition the Commissioner under 37 CFR § 1.10(c) to accord the above identified application ("the Application") a filing date of September 21, 2001, which is the "date-in" on the "Express Mail" mailing label that accompanied the Application as originally filed. Also, Applicants respectfully request the issuance of a corrected filing receipt in which the erroneous filing date of "9/20/01" is deleted and replaced with the correct filing date of --9/21/01--.

Applicants respectfully submit that the Application, which was received by the United States Patent and Trademark Office ("the Office") and delivered by the "Express Mail Post Office to Addressee" service of the United States Post Office, has been accorded an incorrect

filing date that does not correspond to the “date-in” of the “Express Mail” mailing label that accompanied the Application as originally filed. Applicants further submit that:

(1) Efforts to correct the filing date of the Application began promptly after Applicants received a filing receipt and Notice to File Missing Parts of Non-Provisional Application for the Application, dated October 25, 2001 (“NTFMP”), when Applicants filed a Request for Corrected Filing Receipt, dated December 21, 2001, in response to the NTFMP. Applicants received a Response to Request for Corrected Filing Receipt (“RRCFR”) and now submit the instant petition in response to the RRCFR.

(2) The number of the “Express Mail” mailing label that accompanied the Application as originally filed, EL920636983US, was placed on each sheet of the Application, as well as the return postcard and Utility Patent Application Transmittal that accompanied the Application as originally filed.

(3) Accompanying the instant petition is a true copy of the “Express Mail” mailing label that accompanied the Application as originally filed which clearly shows the “date-in” as September 21, 2001 and the number of the “Express Mail” mailing label of EL920636983US.

A copy of the original Filing Receipt with the change noted thereon, together with a copy of the Response to Request for Corrected Filing Receipt, is enclosed. Issuance of a Corrected Filing Receipt is respectfully requested.

As this Petition for a Corrected Filing Receipt is submitted under 37 CFR § 1.10(c), Applicant does not believe that any additional fees are due. Should, however, additional fees be

due, the Commissioner is hereby authorized to charge any additional fees that may be required or credit any overpayment to our Deposit Account No. 02-4270.

Respectfully Submitted,

OFFICE OF PETITIONS

**GRANTED**

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

**NOT GRANTED**

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).

RECEIVED  
JUL 23 2002

If your application was submitted under 37 CFR 1.10, your filing date should be the "date in" found on the Express Mail label. If there is a discrepancy, a petition to accord a filing date should be submitted along with a copy of the Express Mail label showing the "date in" and be directed to the Office of Petitions.

OFFICE OF PETITIONS

A copy of the Express Mail label was not enclosed with your request. Petitions under 37 CFR 1.10 require a copy of the Express Mail Label to be submitted.

The "date in" on the Express Mail label is the date given on the Filing Receipt.

The filing date accorded to the application is the date the application met the filing date requirements of 37 CFR 1.53(b) or (c).

Applications submitted with a certificate of mailing under 37 CFR 1.8 are accorded a filing date as of the date the application is received in the U.S. Patent and Trademark Office. A request to review the filing date accorded to the application must be in the form of a petition.

The filing date on your return postcard is the same as the date on your Filing Receipt. A request to review the filing date accorded to the application must be in the form of a petition.

A petition under 37 CFR 1.10, 37 CFR 1.53 or 37 CFR 1.182 is needed to request a change to the filing date. A \$130 petition fee is required for a petition under 1.53 or 1.182. If you choose to file a petition, the petition and the \$130 petition fee, if any, should be directed to:
